NAPCO Scented Options

NAPCO Scented Options easily and inexpensively mask unpleasant paint and solvent smells. This greatly reduces complaints in densely occupied buildings where ventilation is not an option, such as hotels, apartment buildings, schools, office buildings, restaurants, nursing homes and hospitals. It's a fast, safe and effective solution to a common objection.

NAPCO Scented Options are available in 5 great "flavours":

- Bubble Gum
- Lemon
- Pine
- Spice
- Wintergreen

NAPCO Scents are compatible with any NAPCO primer or topcoat.
