

"For all your refinishing supplies, equipment and training needs..."

Tiny Giant Portable Fume Exhaust

Now's the time to replace that old, bulky, backbreaking unit!

This compact, yet powerful exhauster removes fumes, overspray and dust, giving a smoother and glossier finish.

- 698 CFM
- 2,850 RPM
- 2.22 amps
- 70 dB
- 115 V, 60 hZ
- 13-1/2"L x 8-3/4"W x 13-1/2"H
